

# Zehnder Stellar Spa

## Hydronic operation

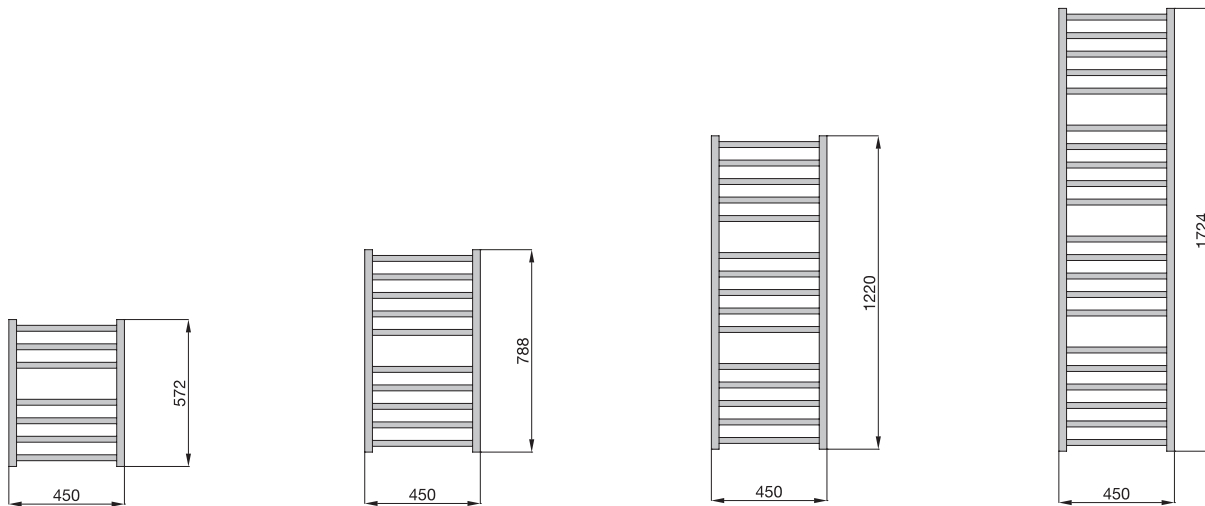

Product data sheet

Simply elegant. Simply ideal for minimalist bathrooms. Zehnder Stellar Spa combines minimalist design with maximum functionality. Large spaces between the tubes are the perfect space for hanging towels. Available in almost any colour and finish from the Zehnder colour chart.

- Flexible installation through bracket's variable wall clearance
- Corrosion-resistant materials also make it suitable for use with open heating systems
- Generous spaces between the tubes convenient for hanging towels
- Replaceable flow and return makes installation flexible
