

Zehnder Roda Spa Asym

Hydronic operation

Product data sheet

Zehnder Roda Spa Asym

Zehnder Roda Spa Asym means design and comfort for your bathroom. Delightful looks and practical asymmetric arrangement of its flat tubes, which allow for towels to be conveniently hung from the side. Available in almost any colour and finish from the Zehnder colour chart.

- Varied tube arrangement offers flexible use
- Wide range of models supports versatile use
- Short response time means rooms can be heated up quickly
- High thermal output means large rooms are heated up quickly
