

Zehnder Charleston Bar

Hydronic operation

Product data sheet

The immense power of Zehnder Charleston Bar even heats large bathrooms to a comfortable temperature. Large and small towels as well. Thanks to the custom-mountable towel rail, they are always warm and within arm's reach. Available in almost any colour and finish from the Zehnder colour chart.

- Convenient towel rail for hanging towels
- Classic, elegant design blends in with any setting
- Easy cleaning with the lambswool cleaning brush from Zehnder
- High proportion of radiation ensures comfort
- Compatible with a heat pump and/or low-temperature systems
- High level of heat capacity also for old buildings with a high heating load
- Convenient height-adjustable towel rail
- Residue-free laser welding technology "LaZer made" guarantees maximum quality, high-end design and reliable operation of the heating system
