

Zehnder Roda Spa Asym

Electric operation

Product data sheet

Zehnder Roda Spa Asym

Zehnder Roda Spa Asym means design and comfort for your bathroom. Delightful looks and practical asymmetric arrangement of its flat tubes, which allow for towels to be conveniently hung from the side. Available in almost any colour and finish from the Zehnder colour chart.

- Varied tube arrangement offers flexible use
- Wide range of models supports versatile use
- Short response time means rooms can be heated up quickly
- High thermal output means large rooms are heated up quickly
- Flexible installation through right and left connection options
- Operation as needed thanks to daily and weekly timer function
- The electric radiator provides warm towels and rooms all the year round
- Energy-efficient and comfortable heating with innovative “open window detection”
- This electric radiator provides dry, warm towels and comfortable rooms all year round
- Comfort on demand due to adjustable boost heating
- User-friendly control device allows simple operation
- Customisable daily and weekly programmes for convenient, on-demand operation
- Increased safety with keylock
- Flexible control options: control device for wall mounting or base
- Timer function for on-demand operation
